2	ILMS DETAILS

LIBRARY DETAILS:

Library Details the Library plays a central role in enhancing the quality of academic and research environment in Education institutions. The Institute library is a place in the Institute where huge collections of reference books, journals, magazines, research projects, rare books, other knowledgeable books and newspapers are kept.

These books are made available to the students to increase their knowledge and understanding on various subjects. The college library is an important hub of student life. There, student can check out books, conduct their research, find a quiet place to study, and maybe even flip through magazine. The students can extend their search with use of internet, e-books, e-journals etc. made available in the digital library.

The Institute library exhibits positive impact on the academic achievement of the student. Students can perform better during examination and placement as students are explored to the knowledge through various means.

ILMS Details:

The Institute installed Integrated Library Management System (ILMS) namely "elite software" in the year 2019. The Institute started using it in the year 2019. Library has provision of s/w such as '**auto Liberian**, software for students & faculty members to search books by title/ author name etc.
