

Best Practice No – 1

Name of the Best Practice: - Annual study tour at Rajasthan -

01st February 2018 to 07th Feb 2018

Outcomes of activity-

- ❖ Outcome of the activity is to enhance the imagination that sets the limits
By mean of study tour visit of actual places helps us understand, to
- ❖ certain degree feels for ourselves what it's like and to personally experience the subject through study tour
- ❖ Study tour is more and more prevalent among students

Description of activity:

- ❖ As we all know there is no education quit like the lesson of travel
- ❖ As our professional college have maximum wastage on the designing part of architectural and interior, it is a great and effective way to learn the subjects beyond classrooms
- ❖ A study tour gives our students solid picture of how and what in reality
- ❖ In our professional practical based filed maximum learning is from experience that is there as on behind study tour
- ❖ every year our college student's committee organize the study tour with places of all over India
- ❖ Our College has different tour committee having members of each year in to it, so that they can take the initiative in each class
- ❖ Right from collecting the finance and executing it the committee of our college take in initiative with a strong guidance of teachers
- ❖ The location of the trip is decided according to the perceptive of historical background and well know interior projects
- ❖ Which can help students right from first year to the final year to experience the projects live and steady

Activity Experience:

- ❖ Overall experience of this activity is very much encouraging and interesting according to student's point of view
- ❖ It is syllabus based tour related to the profession and also a refreshing trip after long submission period for the students
- ❖ Students are allowed to and made compulsory to sketch on site of different historical monuments on site itself as it is a part of our profession that has been displayed on the notice board after the arrival of trip.
- ❖ Students are also made to create the report of overall tour with the photos on it
It helps students for the practical knowledge of the site and historical features in architectural by hiring the tour guide, so that students can get a deep knowledge of the particular site
- ❖ It also gets students for a deep interaction with the teachers, for any doubts etc

Assessment of activity out comes:

Out come wise description of observation-

- ❖ From this activity the outcome is positive with a good practical knowledge
- ❖ Gives the book knowledge live from the site visit by mean of study tour

Concept-

- ❖ Concept behind organizing the study tour is to get the practical knowledge instead of book knowledge
