

ACTIVITY REPORT

1. Title of Activity: *A Seminar on HVAC Systems in commercial areas*
by Eng. Sandip Hukkeri.

2. Date & venue: Date : 07-01-2019
Venue : Kalaprabodhini's institute of interior Design

3. Outcomes of activity:

- To interact with specialized services consultants
- To Understand role of advanced services while interior designing .
- New technologies in market .
- To understand the importance of HVAC layout in hi profile residential bungalows, flats as well as commercial spaces.
- To know the basic principles while designing in residential areas.
- He shows how to work out the site drawings.
- How to handle the problems on site.

4. Description of activity:

- To understand HVAC System, for students in services subject ,our college organized A one day Seminar on HVAC Systems in commercial areas by Eng. Shridhar .Sanglikar on the date of 24 Feb 2015
- The seminar was started with welcome & felicitation of Eng. Shridhar .Sanglikar , Pune.by Principle . Ar.Girija Kulkarni
- Then Our guest speaker started their A.V. presentation on respected subject.
- First they explain the importance and necessity of HVAC in residential areas.
- After that they calculative thumb rules for HVAC Design. And types of AC.
- They explain different ways of planning and planning considerations in HVAC with some case studies.
- Their slides also explain different layout in Auto CAD drawings of HVAC services with details.
- Then there is question an answer session is done.
- Students had actively participated in this session.
- The seminar was concluded with vote of thanks both by the expert and students.

5. Activity Experience:

a. Outcome wise description of observations/explanations

- HVAC is a very specialized job because of some simulation is important for such special kind of services.
- Guest speaker also had some samples with them, so student can handle and saw the detail part .
- Now concepts are made clear about HVAC services with their along with design problems

b. The concept/principles/procedures learn as the result of activity

- Students are now aware about different services and which are different services experts are present in market.
- They understand the role of designer and have to handle such different consultant during designing and during execution of a restaurant project.

6. Assessment of activity outcomes:

- Students interact with expert and share their design and discuss the solution realated to HVAC design.
- They now understand how new technology can affect their design solutions .
- Now students understand what are detailing and what are consideration should be taken while making an interior of commercial project.

Eng. Sandip Hukkeri. While explaining layout of HVAC on PPT

KALAPRABHODHINI'S INSTITUTE OF DESIGN, KOLHAPUR		
FOURTH YEAR: B DES 2018-19
