

# ACTIVITY REPORT

---

1. **Title of Activity:** *A Seminar on Research Methodology*  
by Ar,Shivraj Ghatage

2. **Date & venue:** Date :06-07-2019

Venue : Kalaprabodhinis institute of interior Design

3. **Outcomes of activity:**

- To understand types of research in design field
- To know Which research method should choose

4. **Description of activity:**

- Our college organized A one day Seminar on *Research Methodology* on the date of 06 July 2019 by Ar,Shivraj Ghatage
- He mention some examples types of research in design field.
- Explain research goal
- Explain what subjects (and who) you want to study.

5. **Activity Experience:**

**a. Outcome wise description of observations/explanations**

- Students understand the types of research
- Students are now understood used methods include:
  1. Observation / Participant Observation
  2. Surveys
  3. Interviews
  4. Focus Groups
  5. Experiments
  6. Secondary Data Analysis / Archival Study
  7. Mixed Methods (combination of some of the above)
- .

**b. The concept/principles/procedures learn as the result of activity**

- Students understand One particular method could be better suited to your research goal than others
- The concept of this seminar is to understand the difference between Research Design and Research Method

**c. Application of observation/experience in professional life/work**

- Students understand Research design and methods are different but closely related, because good research design ensures that the data obtain will help to answer for research question more effectively.

**d. Summary & conclusion**

Students understand following points-

- Type of research methodology
- Probable objections to research
- Settings for the research study
- Timeline

**6. Assessment of activity outcomes:**

- Students are now understand the types of research and Which research method should choose
